## Feature of the Month: SREB's Career Pathway Development Consultation

One of the many cool services that SREB can help with is our [career pathway development program](#). Our career pathway consultants can work with your local education, industry and workforce leaders to help you determine labor market needs and design a pipeline for your school.

This service can also be combined with our [career pathway review](#) for your current pathways, a [career pathway leadership workshop](#) and/or our [advanced career curricula](#).

---

## Video: Starting a Career Pathway

What should you consider when starting a new career pathway at your school or district?

In this video, SREB CTE instructional coach, Chris Bailey, shows you how planning a new career pathway is a lot like planning a vacation.

(And [scroll down to find the checklist](#) that goes with this video.)

---

## Join the Conversation: Take Our Survey

How likely is your school or district going to start a new career pathway in the next couple of years?

[We already have it in the works!](#)

[We are, but we don't know what it will be yet.](#)

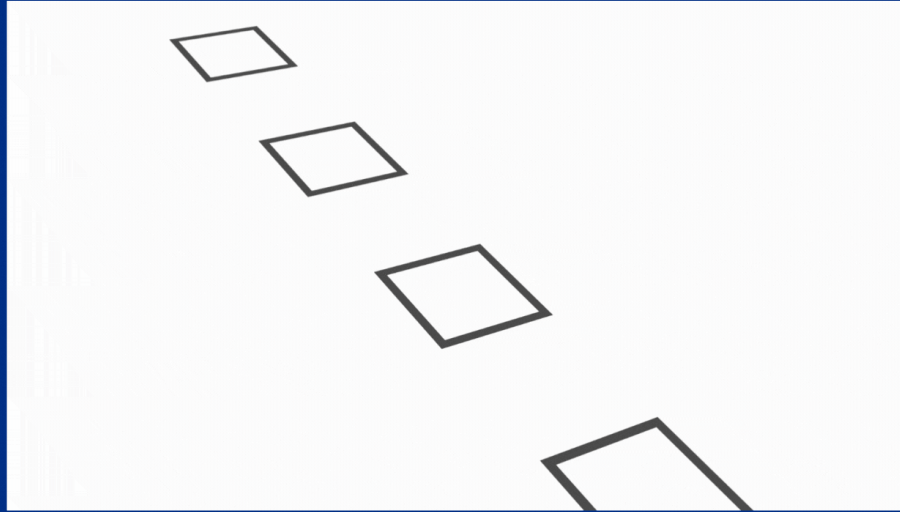

[We'd like to, but we don't know if it's in the budget yet.](#)

[We don't have any plans right now, but you never know what the future holds.](#)

[We're not going to anytime soon.](#)

---

## Resource: Starting a Career Pathway Checklist and Resources Guide

**Make sure your career pathway process works!**

There are a lot of things to consider when you are planning to start a new career pathway in your school or district. That is why we made a checklist to go along with Chris Bailey's "[Starting a Career Pathway](#)" video, featured above.

We have also included a lot of helpful resources you can use as you begin the planning process.
