Are You Ready for Your 15 Seconds of Fame?

⇒ We are getting ready to publish a new Doctoral Scholars publication and need your submissions. **We are looking for a “quotable quote” about teaching.** Tell us why you entered the professoriate. What has been your greatest pleasure to date in your teaching experience? What have you learned since beginning your career? Send us **40 words or less** and be sure to include your full name. Send it to Robbie Ouzts at robbie.ouzts@sreb.org. **The deadline for submissions is May 31, 2005.**

Attention Actively Funded Scholars...

Please remember that all actively funded scholars are required to **register full-time for the summer** semester unless approved otherwise by your faculty advisor. If you will not be enrolled full-time for the summer semester you must notify us in writing immediately.

We will be checking your summer enrollment status beginning in June. If you do not plan to be enrolled full-time this summer, please contact us right away.

Don't forget that **June 1st** is the deadline for all actively funded scholars to **submit spring grades** or a dissertation progress report for the spring semester. If grades are not received no stipend will be issued for you in June. You can fax us at 404-872-1477 or email your grade report to doctoral.scholars@sreb.org.

Are We Looking For You?

Don't forget that the SREB-State Doctoral Scholars Program continues to track your progress to graduation and beyond. We count on you to keep us up-to-date on your school and contact information. Email any changes to us at doctoral.scholars@sreb.org or use the Online Scholar Directory to keep us updated.

As a scholar in the Doctoral Scholars Program you automatically have a permanent listing in our Online Scholar Directory. Subscriptions to the directory are given to colleges and universities searching for minority doctoral scholars for a variety of opportunities including postdoctoral work, research and employment.

You are responsible for logging into the directory and keeping your contact information up-to-date. Please contact us by email at doctoral.scholars@sreb.org if you have lost or forgotten your login information.

Visit the Doctoral Scholars section of the website at www.sreb.org to update your scholar profile.

SAVE THE DATE

This year's 12th Annual Institute on Teaching and Mentoring will be held **October 27-30** at the **Marriott Crystal Gateway in Arlington, Virginia**. We are expecting over 800 participants and will have over 50 sessions and over 35 institutions recruiting for future faculty.

All actively funded scholars are required to attend the Institute. If you are unsure about whether or not you are required to attend, please contact us and we will let you know immediately.

All non-actively funded doctoral scholars and program graduates are encouraged to return to the Institute. To the extent that our budget will allow, we will fund your registration, meals and hotel accommodations if you provide your own transportation to and from the Institute.
